Notices

****Please** notify the REAP office if your address changes or if you know of anyone who would like to be added to our mailing list. Due to the state budget shortfall, we are working very hard to cut our costs. You can help us by sending change of address information or by letting us know if you do not want to continue receiving REAP publications. The post office charges us for all returned mail. Thank you for your cooperation.

****Change in policy:** Again, due to the tight budget, REAP must contain costs. We will continue to mail *Horizons* and announce new REAP Reports, REAP Policy Papers, and *The State of Rural Virginia* in “Notices.” These publications will **only** be available at our website unless a hard copy is specifically requested. We apologize for any inconvenience this new policy may cause; however, we cannot continue to absorb the cost of printing.
